

THE GOSPEL IN THE PASSOVER

For me, understanding what is really meant by '*Christ our passover lamb*' has been life changing. Seeing how this Jewish festival foreshadows our Messiah's sacrifice can't help but rejuvenate our faith and make us want to share it with others.

THE GOSPEL IN THE PASSOVER

WHY PASSOVER?

CWI's **The Gospel in the Passover** presentation demonstrates how the gospel is at the very centre of Israel's ancient festival of redemption and how Jesus - the perfect Lamb of God - is revealed through the ceremony that is still observed by Jewish people across the world.

WHAT TO EXPECT

A CWI missionary will take your church through the traditional Passover Seder, explaining the various elements and how they relate symbolically to Jesus and the gospel. As the events recorded in Exodus are explained, Jesus as Messiah is revealed. **The Gospel in the Passover** is a powerful and engaging presentation through which the gospel really comes alive.
